

Janitorial Market Survey:

The Federal Aviation Administration, Northwest Mountain Region, Western Service Area, is conducting a Market Survey to improve the Government's understanding of the current marketplace and to identify capable sources. Interested sources must respond with information to confirm evidence of their qualifications and capabilities. Responses to this market survey will be used to determine if there is adequate competition to set the requirement aside for Socially and Economically Disadvantaged Businesses (SEDB/8(a)), Small Businesses, or full and open competition. This survey is being conducted in accordance with FAA Acquisition Management System (AMS) Section 3.2.1.2.1. This survey will support market research obtained from multiple sources and will be utilized for planning purposes only.

All interested vendors are advised that the FAA will not pay for any information or any administrative costs incurred that are associated with any response received from industry in response to this Market Survey/Request for Information. Therefore, any costs associated with vendor's Market Survey/Request for Information submissions will be solely at the interested vendor's expense.

SCOPE OF WORK:

The scope of work under the proposed contract shall be that the contractor furnishes all personnel, equipment, material, supplies and supervision to provide complete janitorial service at the Airport Traffic Control Tower (ATCT) and Base Building at the Billings Logan International Airport in Billings, MT.

The Billings ATCT and Base Building consist of a total of approximately 14,030 square feet (sq. ft.) of total floor space. 10,363 sq. ft. resides in the Base Building, (3,168 sq. ft. of Mechanical & Equipment Space, 748 sq. ft. of Air Traffic Space, and 6,447 sq. ft. of administrative floor space), 325 sq. ft. in the ATCT link, and 3,342 sq. ft. in the ATCT (450 sq. ft. in the ATCT Cab, 1,849 sq. ft. of Mechanical and Equipment Space, and a six story stairwell). All areas as described by this contract may be categorized as I) Administrative Space, II) Mechanical & Equipment Space, and III) Air Traffic Space.

Location:

The Billings ATCT and Base Building are located at:

Federal Aviation Administration
Billings Logan Airport Traffic Control Tower
1907 Terminal Circle
Billings, MT 59105
